## Awesome!

At Lavender Festival in Blanco, there was a booth supporting "Flying for the Earth". Anyone who wants to donate \$5.00 to help the non-profit organization, they can take a picture with the European Eagle Owl, 5years old female. April Meers posed with the owl. The Lady said the owl is used for educational purposes. The owl serves as rehabilitating assistance to the clients. (Submitted by Iris Easley and April Meers).

## New Metal Railing

On June 7<sup>th</sup>, 2018 when the TADSC seniors arrived for their monthly meeting at the Austin Deaf Club, there were men already installing and welding a new metal railing on one side of the sidewalk. It looks nice and we hope that Austin Club members and the TADSC members will all find it useful and like how it looks. The Austin Deaf Club and TADSC both paid for it. (Photo by Glenn Brunson)
