DEAF ALUMNI PARTY

A group of TADSC members joined the Deaf Alumni Party on a nice paddle-wheel boat on Lake Austin on October 16th, Friday evening. A beef and chicken fajita dinner was served. We all enjoyed the four hour round-trip boat ride with the TSD alumni. It was a very cool night.

ISDAA HALL OF FAME

My daughter, Ann Horn and I flew to St. Louis on Thursday, October 8th. We drove a rental car to visit our old friends in Champaign, Ill. We had lunch with them. Ann finally met her childhood friend/CODA Theresa whom she hadn't seen over 35 years. Then we drove to Danville where we used to live before moving to Austin to take a last look at our old house. Wow everything is changed. Just one house standing and surrounded by a parking lot.

Then we drove southwest to Jacksonville to stay for two nights. On Friday, we went to Illinois School for the Deaf Museum and walked through every room that has "themes" such as drama room, sport room, Olympics room and so forth. We enjoyed it and Ann took several pictures of her dad during his high school years.

On Friday evening, ISD Alumni Association hosted 25th anniversary and Hall of Fame-Deaf Participants at Deaf Olympics. There were 25 ISD students participating. ISDAA recognized and honored each of those participants. Robert Montfort was one of those participants.

We learned that ISD coach and two athletics were the first USA participants to enter the Deaf Olympics in 1927 (I think). Six of those are deceased and 11 were able to attend this special event.

The banquet and recognition was so beautiful and touching. Bob Dramin was the master of ceremony.

On Saturday, we drove back to St. Louis to fly back to Austin. We really enjoyed and appreciated the honor and recognition of my husband/Ann's father by ISDAA Hall of Fame. *(By Joan Montfort)*
